1. Constitutional Proposals
    a. Addition to 4.2: Each affiliated member shall pay to the Association such sum as shall be decided by general meeting each year.

    Proposal

    4.2.1 The Association membership categories shall mirror those defined by Archery GB

    Proposed: Derek Sizeland, Seconded: Max Roantree

    It was clarified that at the moment this would change the categories from: U18, U25, 25+ (senior) to: U21 (Junior) and 21+ (Senior), with disabled archers paying voluntarily. Due to the fee changes at the previous EGM, this would not result in a change in any fees for the NAA, only a change in categorisation.

    CARRIED

The meeting closed at: 19:29

This is a true record of proceedings.
