Present: Committee Members: David Hall (Chair), Max Roantree (Secretary), Derek Sizeland (Treasurer), Kieran Newell-Thomas (Safeguarding), Fraser Brown (Records), Stuart Burnett, Melissa Reeve, Clare Stimson

Apologies: Elaine Burbidge, Duffy Dowle, Lorraine Haymes, Samuel Brooker, Paul Burlingham, Damien Lewington

Meeting Opened: 19:08

It was noted that there were not enough members present to reach a quorum, however far more than a quorum had sent in advance votes. As such, it was agreed that the meeting should go ahead to avoid disenfranchising those who had already voted, however no alterations of any kind could be made to any proposals, as that would invalidate the advance votes.

1. Fee Adjustment Proposal

   Archery GB have offered a one-off discounted membership rate for members to join during the summer of 2025 and have their renewal date set to October 1st, in line with the previous membership system.

   Proposed: Mel Reeve, Seconded: Max Roantree

   a. **Proposal 1**

      The NAA should offer a similarly discounted rate and membership term exclusively for those members who will be taking up the Archery GB summer 2025 offer. This will offer membership to the same renewal date as Archery GB, bringing the NAA in line with Archery GB.

      CARRIED

   b. **Proposal 2**

      Should Proposal 1 be agreed, the exact fee shall be decided. The two initial proposals are either to set the rate to £3.50, which is a similar ⅓ proportional rate as Archery GB; or to waive it entirely. Should either option not be approved, another discounted rate shall be decided at the EGM. This may be higher or lower than £3.50, but must be lower than the current NAA fee rate of £10.

      It was noted that the original proposal did not include mention of a separate Junior fee for the Summer 2025 membership. Therefore “the fee” mentioned in the proposal must count for Junior and Senior members, as a separate Junior fee would require amending the proposal, which could not be done at this meeting.

It was asked whether or not there would be any changes to the SCAS fee for the Summer 2025 membership option. As far as the NAA is aware SCAS will not be offering a reduced membership, but will enquire on behalf of the members.

The vote for the £3.50 membership had 11 votes, while voting to waive the fee had 6 votes. The motion to offer a Summer 2025 membership at £3.50 was CARRIED.

The meeting closed at: 19:34

This is a true record of proceedings.
